Dear Mr. Robinson:

On March 11, 2010, a representative of the U. S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA).

I have reviewed the inspection report and determined that no violations of the RCRA regulations were documented at the time of the inspection. The information provided to the inspector indicated that your facility was not generating hazardous wastes at the time of the inspection.

I would like to remind you that your facility is responsible for maintaining compliance with all applicable hazardous waste regulations. If there are any questions regarding this letter, please contact James Terry working under a grant at EPA at (913) 551-7958.

Sincerely,
